**Date of application:** 02-07-2013

**Subject:** Network Security

This RTI application relates to measures taken by BSNL, a leading national-level internet service provider, to enhance the security of its network systems in compliance with governmental requirements. It is queried as follows:

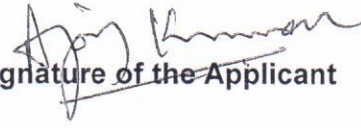

- Please list the companies from which BSNL has bought all its security equipments.
- What type of security equipment does BSNL use to assist Indian law enforcement agencies in detecting and preventing crime, terrorism and all other illegal activity? Please provide the certification for all such equipment.
- What malware does BSNL test for? What does BSNL use for testing malware in its networks?
- Which proxy servers does BSNL use and are they used for filtering data? If so, what type of data is being filtered and for what purpose? Is authorisation required and if so, by whom?
- Does BSNL use FinFly ISP? If so, who authorises its use and under what conditions?

It is certified that I am a citizen of India and that I do not fall within the BPL category. I am enclosing Rupees thirty (Rs. 30) towards the application fee and photocopying costs under the RTI Act for the information and documents requested. Kindly inform me at the address stated below if any further fees are required to be paid.
